

Security Area of Focus

From a single secure application to a complete integrated security

Mobile Security Convergence

NFC / eSE / eSIM convergence into a single die

Standalone functions

1

ST54H SiP
NFC + eSE integration

2

ST54J single die
NFC + eSE integration

3

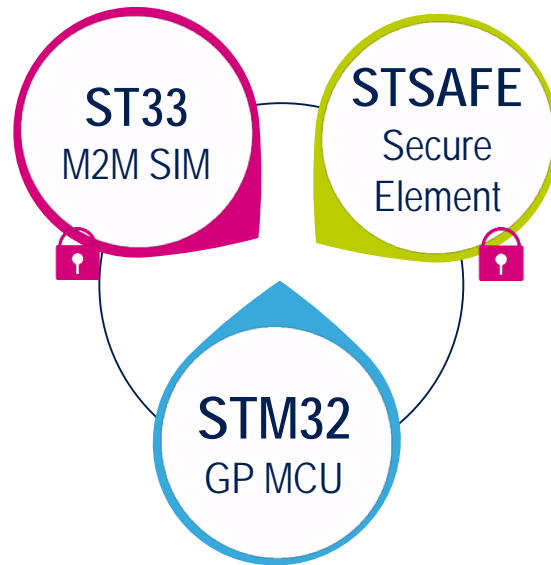

ST54J single die
NFC + eSE + eSIM

4

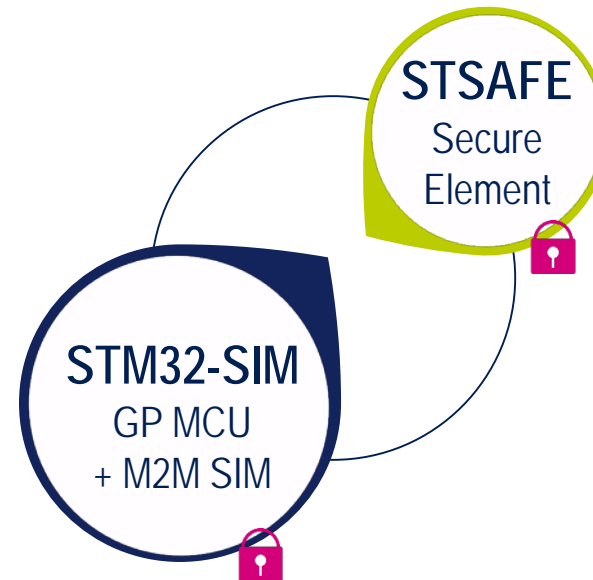

IoT Integrated Security

Security integration into GP MCU

Standalone
functions

1

STM32-SIM SiP
GP MCU + M2M SIM integration

2

Secure STM32 single die
GP MCU + M2M SIM + SE

3
