withdrawn, at the Holder's option on September 22, 2004. The Company has elected to pay the purchase price solely in cash. The purchase price will be \$885.91 per \$1,000 aggregate principal amount at maturity of Securities surrendered on September 22, 2004.

This Option will expire at 5:00 p.m. local time in New York or Paris, depending on whether you hold Securities through DTC or Euroclear France, on September 22, 2004 (the "Purchase Date"). The Company will not extend the period Holders have to accept the Option unless required to do so by applicable law. The purchase by the Company of validly surrendered Securities is not subject to any conditions other than such purchase being lawful.

2.2. Purchase Price. Pursuant to the Indenture, the purchase price to be paid by the Company for the Securities on September 22, 2004 is \$885.91 per \$1,000 principal amount at maturity of the Securities (the "Purchase Price"). The Purchase Price will be paid in cash with respect to any and all Securities validly surrendered for purchase and not withdrawn prior to the Purchase Date. (See "5. Payment for Surrendered Securities.") Securities surrendered for purchase will be accepted only in principal amounts at maturity equal to \$1,000 (the "\$1,000 principal amount") or integral multiples thereof. The Original Issue Discount (as defined in the Indenture) will cease to accrue on the Purchase Date unless the Company defaults in making payment on Securities validly surrendered for purchase and not withdrawn.

The Purchase Price is based solely on the requirements of the Indenture and the Securities and bears no relationship to the market price of the Securities or the Common Shares. Holders of Securities are urged to obtain the best available information as to potential current market prices of the Securities, to the extent available, and the Common Shares before making a decision whether to surrender their Securities for purchase.

None of the Company or its Supervisory Board, Managing Board or employees are making any recommendation to Holders as to whether to surrender or refrain from surrendering Securities for purchase pursuant to this Company Notice. Each Holder must make his or her own decision whether to surrender his or her Securities for purchase and,

4

if so, the principal amount of Securities to surrender based on such Holder's assessment of current market value of the Securities and the Common Shares and other relevant factors.

2.3. Conversion Rights of the Securities. The Securities are convertible into STMicroelectronics Common Shares in accordance with and subject to the terms of the Indenture and paragraphs 9 and 10 of the Securities. The conversion rate of the Securities as of August 24, 2004 is 26.292 Common Shares per \$1,000 principal amount of the Securities. Each of the Paying Agents is currently acting as Conversion Agent for the Securities.

Holders that do not surrender their Securities for purchase pursuant to the Option will maintain the right to convert their Securities into Common Shares, subject to the terms, conditions and adjustments specified in the Indenture. Once a Holder gives a Purchase Notice, a Holder may not convert Securities for Common Shares under the Indenture unless such Holder validly withdraws such Purchase Notice before 5:00 p.m. in New York or Paris, depending on whether such Holder holds Securities through DTC or Euroclear France, on the Purchase Date, as described in Section 4 hereafter.

2.4. Market for the Securities and STMicroelectronics Common Shares. The Securities are traded on the New York Stock Exchange under the symbol "STM ZR 09" and on Euronext Paris SA. To the extent that the Securities are traded, prices of the Securities may fluctuate depending on trading volume, the balance between buy and sell orders, prevailing interest rates, the Company's operating results and the market for similar securities. To the extent available, Holders are urged to obtain current market quotations for the Securities prior to making any decision with respect to the Option.

The table below indicates the range of the high and low prices on the New York Stock Exchange and the high and low prices for the LYONs on Euronext Paris SA, in both cases as a percentage of principal amount at maturity, during each quarter during the past two years. Following the expiration of the option period, the Company expects that Securities not redeemed will continue to be traded over the exchanges; however, the Company anticipates that the trading market for the Securities will be more limited. A debt security with a smaller outstanding principal amount available for trading (a smaller "float") may command a lower price and trade with greater volatility than would a comparable debt security with a larger float. Consequently, the Company's redemption of Securities pursuant to the Option will reduce the float and may negatively affect the liquidity, market value and price volatility of the Securities that remain outstanding following

the redemption. The Company cannot assure you that a market will exist for the Securities following the redemption. The extent of the public market for the Securities following consummation of the redemption will depend upon, among other things, the remaining outstanding principal amount at maturity of the Securities at such time, the number of holders of Securities remaining at that time and the interest on the part of securities firms in maintaining a market in the Securities, market interest rates and the price of the Company's Common Shares.

The Securities are held through The Depository Trust Company ("DTC") and Euroclear France. As of August 6, 2004, there was \$917,948,000 aggregate principal amount at maturity of Securities outstanding. DTC and Euroclear France are the sole record holders of the Securities.

The Common Shares of STMicroelectronics into which the Securities are convertible are listed on the NYSE under the symbol "STM" and on Euronext Paris SA and the Borsa Italiana (Milan). The table below indicates the range of the high and low prices in U.S. dollars for the Common Shares on the New York Stock Exchange and the high and low prices in euro for the Common Shares on Euronext Paris and the Italian Stock Exchange during each quarter during the past two years. On August 6, 2004, the last reported sales price of the Common Shares on the NYSE was \$17.31 per share. As of such date, there were approximately 891,452,000 Common Shares outstanding. Of the approximately 891,452,000 Common Shares outstanding, approximately 42,853,000 or 4.8% were registered in the common share registry maintained on the Company's behalf in New York. The Company urges you to obtain current market information for the Securities, to the extent available, and the Common Shares before making any decision to surrender your Securities pursuant to the Option.

2.5. Redemption. The Securities were not redeemable by the Company prior to September 22, 2002. Beginning on September 22, 2002, the Company has the right to redeem for cash all but not a portion of the Securities if the closing price for the Company's Common Shares on the principal U.S. securities exchange on which they are traded is equal or greater than 130% of the conversion price for 30 consecutive trading days preceding such redemption. Beginning on September 22, 2004, the Securities are redeemable for cash at any time at the option of the Company, in whole or in part. Redemptions by the Company are required to be made at a redemption price equal to the Issue Price (as defined in the Indenture) plus accrued Original Issue Discount (as defined in the Indenture and as provided for in the Securities) to the date of redemption.

6

2.6. Change in Control. The Holder may require the Company to redeem his or her Securities if there is a Change in Control (as defined in the Indenture) at a redemption price equal to the Issue Price (as defined in the Indenture) plus accrued Original Issue Discount (as defined in the Indenture) to the date of redemption.

2.7. Ranking. The Securities are unsecured and subordinated obligations of the Company. The Securities are subordinated in right of payment with all of the Company's existing and future unsecured and senior indebtedness. The Securities are effectively subordinated to all existing and future indebtedness and other liabilities of the Company's subsidiaries.

3. Procedures to Be Followed by Holders Electing to Surrender Securities for Purchase. Holders will not be entitled to receive the Purchase Price for their Securities unless they validly surrender and do not withdraw the Securities on or before 5:00 p.m. local time in New York or Paris, depending on whether you hold your Securities through DTC or Euroclear France, on the Purchase Date. Only registered Holders are authorized to surrender their Securities for purchase and Securities held in book-entry form must be surrendered in compliance with the rules of the applicable book-entry facility. Holders may surrender some or all of their Securities; however, any Securities surrendered must be in \$1,000 principal amount or an integral multiple thereof.

If Holders do not validly surrender their Securities on or before 5:00 p.m. local time in New York or Paris, depending on whether you hold your Securities through DTC or Euroclear France, on September 22, 2004, their Securities will remain outstanding subject to the existing terms of the Securities.

3.1. Method of Delivery. The method of delivery of Securities, the related Purchase Notice and all other required documents, including delivery through DTC and acceptance through DTC's Automatic Tenders over the Participant Terminal System ("PTS"), is at the election and risk of the person surrendering such Securities and delivering such Purchase Notice and, except as expressly otherwise provided in the Purchase Notice, delivery will be deemed only when actually received by the relevant Paying Agent. The date of any postmark or other indication of when a Security or the Purchase Notice was sent will not be taken into account in determining whether such materials were timely received. If such delivery is by mail, it is suggested that Holders use properly insured, registered mail with return receipt requested, and that Holders mail the required documents sufficiently in advance of the Purchase Date to permit delivery to the relevant Paying Agent prior to 5:00 p.m. local time in New York or Paris, depending on whether you hold your Securities through DTC or Euroclear France, on September 22, 2004.

3.2. Purchase Notice. Pursuant to the Indenture, the Purchase Notice must contain:

- o the certificate number of the Securities being delivered for purchase;
- o the portion of the principal amount of the Securities which will be delivered to be purchased, which portion must be in principal amounts of \$1,000 at maturity or an integral multiple thereof; and
- o a statement that such Securities shall be purchased as of the Purchase Date pursuant to the terms and conditions specified in the Indenture and paragraph 6 of the Securities.

3.3. Delivery of Securities.

Securities in Certificated Form. To receive the Purchase Price, Holders of Securities in certificated form must deliver to the relevant Paying Agent the Securities to be surrendered for purchase and the accompanying Purchase Notice, or a copy thereof, on or before 5:00 p.m. local time in New York or Paris, depending on whether you hold your Securities through DTC or Euroclear France,

on the Purchase Date.

Securities Held Through a Custodian. A Holder whose Securities are held by a broker, dealer, commercial bank, trust company or other nominee must contact such nominee if such Holder desires to surrender his or her Securities and instruct such nominee to surrender the Securities for purchase on the Holder's behalf.

Securities in Global Form. A Holder who is a DTC or Euroclear France participant may elect to surrender to the Company his or her beneficial interest in the Securities by:

7

- o delivering to the relevant Paying Agent's account at DTC or Euroclear France through DTC's or Euroclear France's book-entry system his or her beneficial interest in the Securities on or prior to the close of business in New York or Paris, on the Purchase Date; and
- o electronically transmitting his or her acceptance through DTC's PTS, subject to the terms and procedures of that system, on or prior to 5:00 p.m. local time in New York on the Purchase Date. In surrendering through PTS, the electronic instructions sent to DTC by the Holder, and transmitted by DTC to the New York Paying Agent will acknowledge, on behalf of DTC and the Holder, receipt by the Holder of and agreement to be bound by the Purchase Notice; or
- o electronically transmitting his or her Securities through Euroclear France, subject to the terms and procedures of that system, on or prior to 5:00 p.m. local time in Paris on the Purchase Date to the Paris Paying Agent (Euroclear France Account No. 30, "Nature de Comptes 54"), which transmittal will be deemed receipt by the Holder of, and agreement to be bound by, the Purchase Notice.

Securities and the Purchase Notice must be delivered to the relevant Paying Agent to collect payment. Delivery of documents to DTC, Euroclear France or the Company does not constitute delivery to either of the Paying Agents.

HOLDERS THAT SURRENDER THROUGH DTC OR EUROCLEAR FRANCE NEED NOT SUBMIT A PHYSICAL PURCHASE NOTICE TO THE RELEVANT PAYING AGENT IF SUCH HOLDERS COMPLY WITH THE TRANSMITTAL PROCEDURES OF DTC OR EUROCLEAR FRANCE.

4. Right of Withdrawal. Securities surrendered for purchase may be withdrawn at any time prior to 5:00 p.m. local time in New York or Paris, depending on whether you hold your Securities through DTC or Euroclear France, on the Purchase Date. In order to withdraw Securities, Holders must deliver to the relevant Paying Agent written notice, substantially in the form enclosed herewith, containing:

- o the certificate number(s) and principal amount at maturity of the Securities with respect to which such notice of withdrawal is being submitted;
- o the principal amount at maturity, if any, of such Securities which remain subject to the original Purchase Notice and which have been or will be delivered for purchase by the Company; and
- o the Holder's signature, in the same manner as the original signature on the Purchase Notice by which such Securities were surrendered for purchase.

The signature on the notice of withdrawal must be guaranteed by an Eligible Guarantor Institution (as defined in Rule 17Ad-15 of the Exchange Act) unless such Securities have been surrendered for purchase for the account of an Eligible Guarantor Institution. Any properly withdrawn Securities will be deemed not validly surrendered for purposes of the Option. Securities withdrawn from the Option may be resurrendered by following the surrender procedures described in Section 3 above. Securities not accepted for payment after the expiration of forty business days from the commencement of the purchase period the Securities may be withdrawn.

HOLDERS THAT WITHDRAW THROUGH DTC OR EUROCLEAR FRANCE NEED NOT SUBMIT A PHYSICAL NOTICE OF WITHDRAWAL TO THE RELEVANT PAYING AGENT IF SUCH HOLDERS COMPLY WITH THE WITHDRAWAL PROCEDURES OF DTC OR EUROCLEAR FRANCE.

5. Payment for Surrendered Securities. The Company will promptly forward to the Paying Agents as soon as practicable on September 23, 2004 the appropriate amount of cash required to pay the Purchase Price for the surrendered Securities, and the relevant Paying Agent will thereafter promptly distribute the cash to each Holder of such surrendered Securities; provided that the Securities were validly delivered and not validly withdrawn prior to 5:00 p.m. local time in New York or Paris (depending on whether you hold your Securities through DTC or Euroclear France) on the Purchase Date.

6. Source and Amount of Funds. The maximum amount of funds required by the Company to purchase the Securities and to pay related fees and expenses is estimated to be approximately \$813 million (assuming 100% of

8

the outstanding Securities are surrendered and accepted for payment). In the event any Securities are surrendered and accepted for payment, the Company will use cash on hand to fund such redemptions. The Company may also seek additional sources of cash to improve its cash position, including accessing the capital markets.

7. Securities Acquired. Any Securities purchased by the Company pursuant to the Option will be cancelled by the Trustee, pursuant to the terms of the Indenture.

8. Purchases of Securities by the Company and Its Affiliates. Each of the Company and its affiliates, including their executive officers and directors, is prohibited under applicable United States federal securities laws from purchasing Securities (or the right to purchase Securities) other than through the Option until at least the tenth business day after the Purchase Date. Following such time, if any Securities remain outstanding, the Company and its affiliates may purchase Securities in the open market, in private transactions, through a tender offer, or otherwise, any of which may be consummated at purchase prices higher or lower than the Purchase Price. Any decision to purchase Securities after the Option, if any, will depend upon many factors, including the market price of the Securities, the amount of Securities surrendered for purchase pursuant to the Option, the market price of the Common Shares, the business and financial position of the Company, and general economic and market conditions.

9. Material United States and Dutch Tax Considerations.

This summary of U.S. and Dutch tax considerations is for general information only and does not constitute tax advice. The Company urges that Holders consult their tax advisors with respect to the particular tax consequences of surrendering Securities pursuant to the Option to each Holder's particular situation, including the applicability and effect of any state, local and foreign tax laws.

Material United States Federal Income Tax Considerations

The following discussion is a summary of the material U.S. federal income tax considerations relating to the sale of Securities pursuant to the Option. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), existing and proposed U.S. Treasury regulations promulgated thereunder, rulings, judicial decisions and administrative pronouncements, all as in effect as of the date hereof, and all of which are subject to change or changes in interpretation, possibly with retroactive effect.

Moreover, this summary applies only to U.S. Holders (as defined below) who hold Securities as capital assets. This summary may not apply to a U.S. Holder or may not completely describe the tax consequences applicable to a particular U.S. Holder. For example, special rules may apply to certain Holders and this summary is not exhaustive of all possible tax considerations (such as those applicable to U.S. expatriates, tax-exempt entities, persons subject to the alternative minimum tax, banks, financial institutions, insurance companies, regulated investment companies, real estate investment trusts, securities broker-dealers, traders that mark to market, persons holding Securities in a straddle, hedging or conversion transaction, persons who own (directly, indirectly or by attribution) 10% or more of the voting power or outstanding share capital of the Company or persons whose functional currency is not the U.S. dollar). Such Holders may be subject to U.S. federal income tax consequences different from those set forth below.

For purposes of this discussion, a "U.S. Holder" is a beneficial owner of Securities that is (i) a citizen or individual resident of the United States for U.S. federal income tax purposes; (ii) a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States or any state thereof (including the District of Columbia); (iii) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or (iv) a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have authority to control all substantial decisions of the trust. If a partnership (including for this purpose any entity treated as a partnership for U.S. federal income tax purposes) holds Securities, the tax treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner in a partnership that holds Securities is urged to consult its tax advisor regarding the specific U.S. federal income tax consequences of the surrender of Securities pursuant to the Option.

Sale of Securities Pursuant to the Option

A U.S. Holder's receipt of cash in exchange for Securities pursuant to the Option will be a taxable transaction for U.S. federal income tax purposes. A U.S. Holder generally will recognize U.S. source capital gain or loss on the sale of a Security in an amount equal to the difference between the amount of cash received for the Security (except for any amount attributable to accrued but unpaid interest, including accrued original issue discount or "OID" (defined below), that such Holder has not already included in income) and the Holder's adjusted tax basis in the Security at the time of the sale. Subject to the market discount rules discussed below, a U.S. Holder's capital gain or loss will be treated as long-term capital gain or loss if the U.S. Holder held the Security for more than one year at the time of the sale. Long-term capital gains

recognized by noncorporate U.S. Holders generally are subject to U.S. federal income taxation at a maximum rate of 15%. Capital gains of corporate U.S. Holders generally are taxable at the regular tax rates applicable to corporations. The deductibility of capital losses is subject to significant limitations. To the extent that any amount paid for the Security is attributable to accrued but unpaid interest, including OID, it will constitute ordinary income to the U.S. Holder except to the extent that the amount was previously included in income.

Generally, a U.S. Holder will have an adjusted tax basis in a Security equal to the amount the Holder paid for the Security, increased by the amount of OID previously included in income and, if the election described in the following paragraph has been made, market discount previously included in the Holder's income, and decreased by any acquisition premium in respect of the Security that has been previously taken into income as an offset to OID income. OID generally is the excess of the stated redemption price at maturity of a Security over its issue price. A ratable daily portion of OID allocable to each accrual period (each of which must be no longer than one year) must be included in income by the U.S. Holder and the amount allocable to each accrual period must be determined on a constant yield basis.

An exception to the capital gain treatment described above may apply if a U.S. Holder purchased a Security at market discount. If a U.S. Holder acquired a Security at a cost that is less than its revised issue price, the amount of the difference is treated as market discount for U.S. federal income tax purposes, unless the difference is less than 0.0025 multiplied by the revised issue price multiplied by the number of complete years to maturity from the date of acquisition. The revised issue price is the sum of the issue price of the Security and the aggregate amount of OID that accrued on the Security prior to the time acquired by the U.S. Holder. In general, any gain a U.S. Holder realizes on the sale of a Security having market discount will be treated as ordinary income (rather than as capital gain) to the extent of the accrued market discount, unless the U.S. Holder has elected to include market discount in income currently as it accrues.

#### Information Reporting and Backup Withholding

Proceeds from the surrender of Securities pursuant to the Option generally will be subject to information reporting to the Internal Revenue Service unless an exception applies. Backup withholding will apply at a current rate of 28% unless a Holder provides the New York Paying Agent with a correct taxpayer identification number or certificate of non-U.S. status and makes any other required certification, or otherwise establishes an exemption from backup withholding. Payments to certain Holders (including, among others, corporations and certain tax-exempt organizations) generally are not subject to information reporting or backup withholding.

To prevent backup withholding, U.S. Holders electing to surrender Securities should complete and deliver to the New York Paying Agent the Substitute Form W-9 that is part of this Company Notice, certifying that the taxpayer identification number on such form is correct and that payments to the Holder are not subject to backup withholding. If a U.S. Holder is exempt from backup withholding under the Code, the Holder should so indicate its exempt status in Part 2 of the Substitute Form W-9. Non-U.S. Holders generally will not be subject to U.S. information reporting or backup withholding. However, such Holders may be required to provide certification of non-U.S. status (generally on IRS Form W-8BEN) in connection with payments received in the United States or through certain U.S.-related financial intermediaries. Holders who may be subject to information reporting and backup withholding also can obtain copies of IRS Forms W-9 and W-8 from the Internal Revenue Service website ([www.irs.gov](http://www.irs.gov)). Persons in doubt as to the necessity of furnishing these forms should consult their tax advisors.

10

Backup withholding is not an additional tax, and any amounts withheld as backup withholding may be credited against a Holder's U.S. federal income tax liability. A Holder may obtain a refund of any excess amounts withheld under the backup withholding rules by filing the appropriate claim for refund with the Internal Revenue Service in a timely manner and furnishing any required information.

#### Material Dutch Tax Considerations

This discussion addresses the material Dutch tax consequences of the purchase by the Company of Securities. It does not consider every aspect of taxation that may be relevant to a particular Holder of Securities under special circumstances or who is subject to special treatment under applicable law. This summary is based on the tax laws of the Netherlands as they are in force and in effect on the date of this Company Notice. The laws upon which this summary is based are subject to change, perhaps with retroactive effect. A change to such laws may invalidate the contents of this summary, which will not be updated to reflect any such changes. This summary assumes that each transaction with respect to Securities is at arm's length.

#### Withholding tax

All payments in respect of the Securities will be made free of withholding or deduction of, for or on account of any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein unless otherwise required by applicable law. If the

Company is required by law to make any deductions or withholding for Dutch dividend withholding tax, the Company will make sufficient funds available such that the Holder receives the full amount it should have received had no deduction or withholding been made in accordance with the terms of the Indenture.

#### Taxes on income and capital gains

The summary set out in the following paragraphs only applies to a holder of Securities who is neither resident nor deemed to be resident in the Netherlands for purposes of Dutch income tax or corporation tax, as the case may be, and, in the case of an individual, has not elected to be treated as a resident of the Netherlands for Dutch income tax purposes (a "Non-Resident holder of Securities").

**General.** A Non-Resident holder of Securities will not be subject to income taxation in the Netherlands by reason only of the purchase by the Company of the Securities.

**Individuals.** A Non-Resident holder of Securities who is an individual will not be subject to any Dutch taxes on income or capital gains in respect of any benefit derived or deemed to be derived from Securities, including any payment under the Securities and any gain realized on the disposal of Securities, provided that both of the following conditions are satisfied.

1. If he or she derives profits from an enterprise, whether as an entrepreneur (ondernemer) or pursuant to a co-entitlement to the net value of such enterprise, other than as an entrepreneur or a shareholder, which enterprise is either managed in the Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in the Netherlands, as the case may be, his or her Securities are not attributable to such enterprise.
2. He or she does not derive benefits and is not deemed to derive benefits from Securities that are taxable as benefits from miscellaneous activities in the Netherlands (resultaat uit overige werkzaamheden in Nederland).

Benefits derived or deemed to be derived from Securities by a Non-Resident holder of Securities who is an individual and who satisfies condition 1 above, including any gain realized on the disposal thereof, will be taxable as benefits from miscellaneous activities in the Netherlands if he or she, or an individual who is a connected person in relation to him or her as meant in article 3.91, paragraph 2, letter b, or letter c, of the Dutch Income Tax Act 2001 (Wet inkomstenbelasting 2001), has a substantial interest (aanmerkelijk belang) in STMicroelectronics N.V.

11

A person has a substantial interest in STMicroelectronics N.V. if such person - either alone or, in the case of an individual, together with his partner (partner), if any - has, directly or indirectly, either the ownership of shares representing 5% or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of STMicroelectronics N.V., or rights to acquire, directly or indirectly, shares, whether or not already issued, that represent 5% or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of STMicroelectronics N.V., or the ownership of profit participating certificates (winstbewijzen) that relate to 5% or more of the annual profit of STMicroelectronics N.V. or to 5% or more of the liquidation proceeds of STMicroelectronics N.V.

A person who is only entitled to the benefits from shares or profit participating certificates (for instance a holder of a right of usufruct) is deemed to be a holder of shares or profit participating certificates, as the case may be, and such person's entitlement to such benefits is considered a share or a profit participating certificate, as the case may be.

Furthermore, a Non-Resident holder of Securities who is an individual and who satisfies condition 1 above may, inter alia, derive benefits from Securities that are taxable as benefits from miscellaneous activities in the following circumstances, if such activities are performed or deemed to be performed in the Netherlands:

- a. if his investment activities go beyond the activities of an active portfolio investor, for instance in case of the use of insider knowledge (voorkennis) or comparable forms of special knowledge; or
- b. if he or she makes Securities available or is deemed to make Securities available, legally or in fact, directly or indirectly, to certain parties as meant in articles 3.91 and 3.92 of the Dutch Income Tax Act 2001 under circumstances described there.

**Entities.** A Non-Resident holder of Securities other than an individual will not be subject to any Dutch taxes on income or capital gains in respect of any payment under the Securities or in respect of any gain realized on the disposal of Securities, provided that (a) if such Non-Resident holder of Securities derives profits from an enterprise that is either managed in the Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in the Netherlands, whether as an entrepreneur (ondernemer) or pursuant to a co-entitlement to the net value of such enterprise (other than as an entrepreneur or as a holder of securities), the Securities are

not attributable to such enterprise, and (b) such Non-Resident holder of Securities does not have a substantial interest in STMicroelectronics N.V.

A person other than an individual has a substantial interest in STMicroelectronics N.V., (x) if it has a substantial interest in STMicroelectronics N.V. (as described above under Individuals) or (y) if it has a deemed substantial interest in STMicroelectronics N.V. A deemed substantial interest may be present if its shares, profit participating certificates or rights to acquire shares or profit participating certificates in STMicroelectronics N.V. have been acquired by such person or are deemed to have been acquired by such person on a non-recognition basis.

#### Other taxes and duties

No Dutch registration tax, transfer tax, stamp duty or any other similar documentary tax or duty, other than court fees, will be payable by a holder of Securities in the Netherlands in respect of or in connection with the purchase by the Company of Securities.

Ladies and Gentlemen:

By execution of this Purchase Notice, each signatory hereof (the "undersigned") represents that the undersigned has received the Company Notice, dated August 18, 2004 (the "Company Notice"), of STMicroelectronics N.V., a company organized under the laws of the Netherlands (the "Company"), which provides the notice to the holders (the "holders") required pursuant to the Securities (as defined below) and Indenture, dated as of September 22, 1999 (the "Indenture"), between the Company, as issuer, and The Bank of New York, a New York banking corporation, as trustee (the "Trustee"). This Purchase Notice relates to the Company's Liquid Yield Option<sup>TM</sup> Notes due 2009 (Zero Coupon-Subordinated) (the "Securities"), and the holder's right to surrender the Securities for purchase by the Company for \$885.91 per \$1,000 principal amount at maturity of the Securities (the "Purchase Price"), subject to the terms and conditions of the Indenture, and the Company Notice. Upon the terms and subject to the conditions set forth herein and in the Indenture, and effective upon the acceptance for payment thereof, the undersigned hereby irrevocably sells, assigns and transfers all right and title to the Company in and to the Securities surrendered hereby.

The undersigned hereby irrevocably constitutes and appoints the New York Paying Agent or the Paris Paying Agent, as the case may be, the true and lawful agent and attorney-in-fact of the undersigned (with full knowledge that such Paying Agent also acts as the agent of the Company) with respect to such Securities, with full power of substitution (such power-of-attorney being deemed to be an irrevocable power coupled with an interest) to (1) present such Securities and all evidences of transfer and authenticity to, or transfer ownership of, such Securities on the account books maintained by The Depository Trust Company ("DTC") or Euroclear France, as the case may be, to, or upon the order of, the Company, (2) present such Securities for transfer and cancellation on the books of the relevant security registrar, and (3) receive all benefits and otherwise exercise all rights of beneficial ownership of such Securities, all in accordance with the terms of and conditions to the Company Notice and the Indenture.

The undersigned hereby represents and warrants that:

- (a) the undersigned owns the Securities surrendered hereby as contemplated by Rule 14e-4 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and has full power and authority to validly surrender the Securities surrendered hereby;
- (b) when and to the extent the Company accepts such Securities for payment, the Company will acquire good, marketable and unencumbered title to them, free and clear of all security interests, liens, charges, encumbrances, conditional sales agreements or other obligations relating to their surrender or transfer, and not subject to any adverse claim;
- (c) on request, the undersigned will execute and deliver any additional documents that either the New York Paying Agent, the Paris Paying Agent or the Company deems necessary or desirable to complete the surrender of the Securities surrendered for purchase hereby and accepted for payment; and
- (d) the undersigned has read and agrees to all of the terms of the Company Notice and this Purchase Notice.

The undersigned understands that surrender of the Securities is not made in acceptable form until receipt by the New York or Paris Paying Agent (as the case may be) of this Purchase Notice, duly completed and signed, together with all accompanying evidence of authority in form satisfactory to the Company in its sole discretion (which may delegate power in whole or in part to such Paying Agent). All questions as to form of documents, eligibility, validity (including time of receipt) and acceptance for payment of any surrender of Securities for purchase hereunder will be determined by the Company in its sole discretion (which may delegate power in whole or in part to either Paying Agent) and such determination shall be final and binding on all parties.

Depending on whether the undersigned holds Securities through DTC or Euroclear France, the undersigned understands that all Securities properly surrendered for purchase on or before 5:00 p.m. local time in New York or Paris on September 22, 2004 (the "Purchase Date"), and not withdrawn prior to 5:00 p.m. local time in New York or Paris, on the Purchase Date, will be purchased at the Purchase Price, in cash, upon the terms and conditions specified in the Indenture and as set forth in the Company Notice. The undersigned understands that acceptance of the Securities by the Company for payment will constitute a binding agreement between the undersigned and the Company upon the terms and subject to the conditions of the Indenture, the Company Notice and this Purchase Notice.

It is understood and hereby acknowledged by the undersigned that the certificate(s) evidencing the Securities need not be delivered concurrently

INSTRUCTIONS

Forming Part of the Terms and Conditions of this Purchase Notice

1. Delivery of Purchase Notice and Securities. This Purchase Notice can be used only if Securities are to be delivered to the relevant Paying Agent or if a surrender of Securities will be made by book-entry transfer to the relevant Paying Agent's account at DTC or Euroclear France. Holders that surrender

through DTC or Euroclear France need not submit a physical Purchase Notice to the relevant Paying Agent if such holders comply with the transmittal procedures of DTC or Euroclear France, as applicable. A properly completed and duly executed Purchase Notice or agent's message and any other required documents must be delivered to the relevant Paying Agent at the appropriate address set forth on the first page of this Purchase Notice and must be received by such Paying Agent prior to 5:00 p.m. local time in New York or Paris on September 22, 2004. The term "agent's message" means a message, transmitted to DTC and received by the relevant Paying Agent and forming a part of a book-entry transfer, that states that DTC has received an express acknowledgement that the undersigned agrees to be bound by this Purchase Notice and that the Company may enforce this Purchase Notice against the undersigned. Delivery of documents to DTC, Euroclear France or the Company does not constitute delivery to the New York or Paris Paying Agent.

The method of delivery of all documents, including Securities, this Purchase Notice and any other required documents, is at the election and risk of the surrendering holder(s). If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended.

Each surrendering holder, by execution of this Purchase Notice, waives any right to receive any notice of the acceptance of his or her surrender.

2. Guarantee of Signatures. No signature guarantee is required if either:

- (a) this Purchase Notice is signed by the registered holder(s) of the Securities (which term, for purposes of this Purchase Notice, includes any participant in DTC whose name appears on a security position listing as the holder of such Securities) surrendered by the Purchase Notice, unless such holder has completed the box entitled "Special Issuance Instructions" and/or "Special Delivery Instructions" above; or
- (b) the Securities surrendered by this Purchase Notice are surrendered for the account of an eligible guarantor institution, as defined in Rule 17Ad-15 under the Exchange Act (each, an "Eligible Institution").

In all other cases an Eligible Institution must guarantee the signatures on this Purchase Notice. See Instruction 5.

3. Inadequate Space. If the space provided in the box captioned "Description of Securities Being Surrendered for Purchase" is inadequate, the Security certificate numbers, the principal amount at maturity represented by the Securities and the principal amount at maturity surrendered should be listed on a separate signed schedule and attached to this Purchase Notice.

4. Partial Surrenders and Unpurchased Securities. (Not applicable to holders who surrender by book-entry transfer.) If less than all of the principal amount evidenced by the Securities is to be surrendered for purchase, fill in the portion of the principal amount of such Securities which is to be surrendered for purchase in the column entitled "Principal Amount Surrendered for Purchase" in the box captioned "Description of Securities Being Surrendered for Purchase." In such case, a new certificate for the remainder of the Securities evidenced by the old certificate will be issued and sent to the registered holder(s), unless otherwise specified in the box entitled "Special Issuance Instructions" and/or "Special Delivery Instructions" in this Purchase Notice, as promptly as practicable following the later of the Purchase Date or the date the relevant Paying Agent receives the certificate(s) evidencing the surrendered Securities; provided, however, that each Security purchased and each new Security issued shall be in a principal amount at maturity of \$1,000 or integral multiples thereof. The full principal amount of Securities listed is deemed to have been surrendered unless otherwise indicated.

7

5. Signatures on Purchase Notice and Endorsements.

- (a) If this Purchase Notice is signed by the registered holder(s) of the Securities surrendered for purchase hereby, the signature(s) must correspond exactly with the name(s) as written on the face of the Securities without any change whatsoever.
- (b) If the Securities are registered in the names of two or more joint holders, each such holder must sign this Purchase Notice.
- (c) If any surrendered Securities are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate Purchase Notices as there are different registrations of Securities.
- (d) (Not applicable to holders who surrender by book-entry transfer.) When this Purchase Notice is signed by the registered holder(s) of the Securities and transmitted hereby, no endorsement of Securities is required unless payment is to be made, or the Securities not surrendered or not purchased are to be issued, to a person other than the registered holder(s). See Instruction 2. In such an event, signature(s) on such Securities must be guaranteed by an Eligible Institution. If this Purchase Notice is signed by a person other than the registered holder(s) of the Securities listed, the assignment form on the Securities must be completed and signed exactly as the name(s) of the registered holder(s) appear on the Securities and signature(s) on such Securities must be guaranteed by an Eligible Institution. See Instruction 2.

(e) If this Purchase Notice is signed by attorneys-in-fact, executors, administrators, trustees, guardians, partners, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and must submit proper evidence satisfactory to the Company of their authority so to act.

6. Special Payment and Special Delivery Instructions. The surrendering holder(s) signing this Purchase Notice should indicate in the applicable box or boxes the name and address to which Securities for principal amounts not surrendered or checks for payment of the aggregate Purchase Price are to be issued or sent, if different from the name(s) and address(es) of such holder(s). In the case of issuance in a different name, the taxpayer identification number or social security number of the person named must also be indicated. If no instructions are given, Securities not surrendered will be returned to the holder(s). Any holder(s) surrendering by book-entry transfer may request that Securities not surrendered be credited to such account at DTC as such holder(s) may designate under the caption "Special Issuance Instructions." If no such instructions are given, any such Securities not surrendered will be returned by crediting the account at DTC designated above.

7. Irregularities. The Company will determine, in its sole discretion, all questions as to the form of documents, eligibility, validity (including time of receipt) and acceptance for payment of any surrender of Securities and its determinations shall be final and binding on all parties. The Company reserves the absolute right to reject any or all surrenders it determines not to be in proper form or the acceptance for payment of or payment for which may, in the opinion of the Company's counsel, be unlawful. The Company also reserves the absolute right to waive any defect or irregularity in the surrender of any particular Security. No surrender of Securities will be deemed to have been properly made until all defects and irregularities have been cured or waived. Unless waived, any defects or irregularities in connection with surrenders must be cured within such time as the Company shall determine. The Company's interpretation of the terms of the Purchase Notice (including these instructions) will be final and binding on all parties. None of the Company, the New York Paying Agent, the Paris Paying Agent or any other person is or will be obligated to give notice of any defects or irregularities in surrenders of Securities and none of them will incur any liability for failure to give such notice.

8. Mutilated, Lost, Stolen or Destroyed Certificates for Securities. Any holder(s) whose certificates for Securities have been mutilated, lost, stolen or destroyed should write to or telephone the relevant Paying Agent at the address or telephone number set forth on the front cover page of this Purchase Notice.

8

The holder will then be instructed by the relevant Paying Agent as to the steps that must be taken in order to replace the certificates. The payment of the Purchase Price cannot be made until the procedures for replacing mutilated, lost, stolen or destroyed certificates have been followed.

9. Questions and Requests for Assistance and Additional Copies. Questions and requests for assistance may be directed to the New York Paying Agent or the Paris Paying Agent and additional copies of the Company Notice and this Purchase Notice may also be obtained from the New York Paying Agent or the Paris Paying Agent.

10. Withdrawal Right. You may withdraw previously surrendered Securities at any time until 5:00 p.m. local time in New York or Paris, depending on whether you hold your Securities through DTC or Euroclear France, on September 22, 2004. See Section 4 of the Company Notice for a more detailed description of withdrawal rights.

11. Transfer Taxes. If payment of the Purchase Price is to be made to, or if Securities not surrendered or purchased are to be registered in the name of, any persons other than the registered holder(s), or if surrendered Securities are registered in the name of any person other than the person(s) signing this Purchase Notice, the amount of any transfer taxes (whether imposed on the registered holder(s) or such other person) payable on account of the transfer to such other person will be deducted from the Purchase Price unless satisfactory evidence of the payment of such taxes or an exemption therefrom is submitted.

In order to avoid "backup withholding" of U.S. federal income tax at a current rate of 28% on the cash payments payable upon the sale of Securities pursuant to the Option, a Holder whose Securities are accepted for purchase must, unless an exemption applies, provide the New York Paying Agent with his or her correct Taxpayer Identification Number (the "TIN") on Substitute Form W-9 included herein and certify, under penalties of perjury, that such TIN is correct and that he or she is not subject to backup withholding. If a Holder has been notified by the U.S. Internal Revenue Service (the "IRS") that the Holder is subject to backup withholding, the Holder must cross out item (2) of the Certification box of the Substitute Form W-9, unless the Holder has since been notified by the IRS that the Holder is no longer subject to backup withholding.

Failure to provide the information on the Substitute Form W-9 may subject the tendering Holder to a \$50 penalty imposed by the IRS and to U.S. federal backup withholding at a rate of 28% on the cash payments payable to the Holder in respect of the Securities purchased from such Holder. If the tendering Holder has not been issued a TIN and has applied for one or intends to apply for one prior to the payment, the Holder should write "Applied For" in the space provided for the TIN in Part I of the Substitute Form W-9, and sign and date the Substitute Form W-9. If "Applied For" is written in Part I, but the TIN has not been received by the New York Paying Agent prior to the date that payment is to be made, the New York Paying Agent will deduct from the payment and remit to the IRS as backup withholding cash equal to 28% of the gross proceeds. Persons supplying a TIN to the New York Paying Agent subsequent to the completion of this letter of transmittal and the Substitute Form W-9, which is an integral part thereof, must supply the TIN on an IRS Form W-9 that can be obtained at <http://www.irs.gov/pub/irs-pdf/fw9.pdf>. In order to avoid backup withholding, the Form W-9 and TIN must be received by the New York Paying Agent prior to the date that payment is made.

In addition, if a Holder of Securities makes a false statement that results in no imposition of backup withholding, and there was no reasonable basis for making such statement, a \$500 penalty may be imposed by the IRS.

Backup withholding is not an additional U.S. federal income tax. Rather, the U.S. federal income tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If backup withholding results in an overpayment of taxes, a refund may be applied for from the IRS.

The TIN that is to be provided on the Substitute Form W-9 is that of the beneficial Holder(s) of the Securities. The TIN for an individual is his or her U.S. social security number. To prevent backup withholding, each tendering Holder of Securities is required to notify the New York Paying Agent of his or her correct TIN by completing the

9

Substitute Form W-9, certifying that the Holder is a U.S. person (including a U.S. resident alien), that the TIN provided is correct (or that the tendering Holder of Securities is awaiting a TIN), and that (1) the Holder is exempt from backup withholding, or (2) the Holder has not yet been notified by the IRS that such Holder is subject to backup withholding as a result of failure to report all interest or dividends, or (3) the IRS has notified the Holder that such Holder is no longer subject to backup withholding.

Certain U.S. persons that sell their Securities (including, among others, most corporations and certain tax-exempt organizations) are not subject to backup withholding and should indicate their exempt status on Substitute Form W-9.

If the Securities are in more than one name or are not in the name of the actual owner, such Holder should consult the "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9" for additional guidance on which number to report.

For additional guidance, see the enclosed "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9".

Non-U.S. persons:

A non-U.S. individual or non-U.S. entity may qualify as an exempt person by completing Part I and Part IV of IRS Form W-8BEN signed under penalties of perjury, certifying such person's non-U.S. status. IRS Form W-8BEN and Instructions for Form W-8BEN can be obtained at <http://www.irs.gov/pub/irs-pdf/iw8ben.pdf>. If this form does not apply to a particular non-U.S. Holder, other applicable forms can be obtained from the IRS website.

A Holder of Securities should consult his or her tax advisor as to his or her qualification for an exemption from backup withholding and the procedure for obtaining such exemption.
