

Extraordinary General Meeting of Shareholders (the "EGM")

STMicroelectronics N.V. (the "Company")

EXPLANATORY NOTES

The Supervisory Board proposes:

Agenda item 1 – Voting item

To appoint Armando Varricchio as a member of the Supervisory Board for a term effective as of this EGM to expire at the end of the 2028 AGM.

Shareholders' information:

Armando Varricchio (64 years old | Italian nationality)

Armando Varricchio has a comprehensive knowledge of international relations and global economic issues. In his four-decade diplomatic service he has played a pivotal role in policy making and high-level negotiations both at national and European level. He has been a senior member of Italian and European official delegations at numerous international summits with Heads of State and Government. He is currently the most senior Foreign Service Official in the Italian Ministry of Foreign Affairs. He was most recently Ambassador of Italy to the Federal Republic of Germany (2021-2025), and previously Ambassador to the United States and Serbia. He served as National Security Advisor to the Italian Prime Minister and Personal Representative ("Sherpa") for the G7 and G20, Diplomatic Advisor to the President of the Italian Republic, Sherpa at the G7/8 summits for the EU and Chief Diplomatic Advisor to the President of the European Commission. He has been bestowed by the President of the Republic of Italy with the honor of Knight of Grand Cross - the highest Italian award. Armando Varricchio holds a master's degree in international relations from the University of Padua. He does not own any shares in the capital of the Company.

The appointment of Armando Varricchio as member of the Supervisory Board is being proposed on the basis of his specific expertise, prior professional experience, soundness of judgment, ability to make analytical enquiries and willingness to devote the time required to adequately perform the activities as member of the Supervisory Board.

Agenda item 2 – Voting item

To appoint Orio Bellezza as a member of the Supervisory Board for a term effective as of this EGM to expire at the end of the 2028 AGM.

Shareholders' information:

Orio Bellezza (66 years old | Italian nationality)

Orio Bellezza is the Chairman of the Board of graphene-based optoelectronics startup 2DPhotonics. He has extensive experience in the semiconductor industry, with about 40 years at STMicroelectronics including in several leadership roles where he last held the position of President, Technology, Manufacturing, Quality and Supply chain until July 2023. Previous positions included Executive Vice-President, Front-End Manufacturing, focusing on the expansion and rationalization of ST's global manufacturing infrastructure; Flash Memory and R&D General Manager focusing on the operations and development of Memory, BCD and MEMS; and Central R&D Group Vice President. He had previously occupied multiple technical and management functions since joining ST in 1984. Orio Bellezza holds a master's degree in chemistry from Milan State University. He owns 12,059 shares in the capital of the Company.

The appointment of Orio Bellezza as member of the Supervisory Board is being proposed on the basis of his specific expertise, prior professional experience, soundness of judgment, ability to make analytical enquiries and willingness to devote the time required to adequately perform the activities as member of the Supervisory Board.
