

2025 Annual General Meeting of Shareholders (the "AGM") STMicroelectronics N.V. (the "Company")

ADDITIONAL INFORMATION re. AGENDA ITEM #14

In connection with agenda item #14 (to appoint PricewaterhouseCoopers Accountants N.V. as external auditor for the 2026-2029 financial years), the Company would like to further inform shareholders about the proposed change of auditor, as follows:

In line with the European/Dutch regulation, a mandatory rotation of the Company's auditor is required every 10 years.

EY, the Company's current auditor, was first appointed by the General Meeting of Shareholders for the financial years 2016-2019, was then reappointed for financial years 2020-2023 and reappointed again for financial years 2024-2025. Hence, EY will reach the 10 years limitation at the end of FY 2025.

Under the supervision of the Audit Committee, a competitive bidding process was organized by the Company in 2023-2024, in order to select the new auditor, to be proposed for appointment at the 2025 General Meeting of Shareholders.

Upon the recommendation of the Audit Committee, the Supervisory Board resolved to propose to the 2025 AGM the appointment of PricewaterhouseCoopers Accountants N.V. as the new company's auditor for financial years 2026-2029.
