EXHIBIT 1

Principal Shareholders

ST Holding II is a wholly owned subsidiary of ST Holding. As of December 31, 2010, FT1CI (the “French Shareholder”), controlled by Areva and CEA, and the Ministry of the Economy and Finance (the “Italian Shareholder”), directly held 50% each in ST Holding. The indirect interest of FT1CI and the Ministry of the Economy and Finance in the Company is split on a 50%-50% basis. Through a structured tracking stock system implemented in the articles of association of ST Holding and ST Holding II, FT1CI and the Ministry of the Economy and Finance each indirectly held 125,352,377 of the Company’s common shares, representing approximately 13.7% of its issued share capital as of December 31, 2010. Any disposals or, as the case may be, acquisitions by ST Holding II on behalf of FT1CI or the Ministry of the Economy and Finance, will decrease or, as the case may be, increase the indirect interest of respectively FT1CI or the Ministry of the Economy and Finance, in the Company’s issued share capital. FT1CI is a jointly held company originally set up by Areva and France Telecom to control the interest of the French shareholders in ST Holding. As of December 31, 2010, Areva and CEA are the sole shareholders of FT1CI. Following the transfer to the Ministry of the Economy and Finance of all of CDP’s shares in STMicroelectronics N.V. on December 21, 2010, CDP no longer has a shareholding in ST Holding. Following a preliminary announcement on December 16, 2010, the *Fonds Stratégique d’Investissement* (“FSI”) entered into a binding share purchase agreement with Areva on February 8, 2011 with a view to acquiring Areva’s stake in FT1CI, at a price of €7.00 per share for a total of €695 million, and thereby become an indirect 10.9% shareholder in STMicroelectronics N.V. This share purchase agreement is subject to certain conditions precedent, including the finalization of the on-going merger control process. FSI is a strategic investment fund 51% owned by *Caisse des Dépôts et Consignations* and 49% owned by the French government. The completion of this sale should take place by the end of the first quarter of 2011, once the conditions precedent have been fulfilled. Areva (formerly known as CEA-Industrie) is a corporation controlled by CEA. Areva is listed on Euronext Paris in the form of Investment Certificates. CEA is a French-government funded technological research organization. CDP is an Italian corporation 70% owned by the Ministry of the Economy and Finance and 30% owned by a consortium of 66 Italian banking foundations.

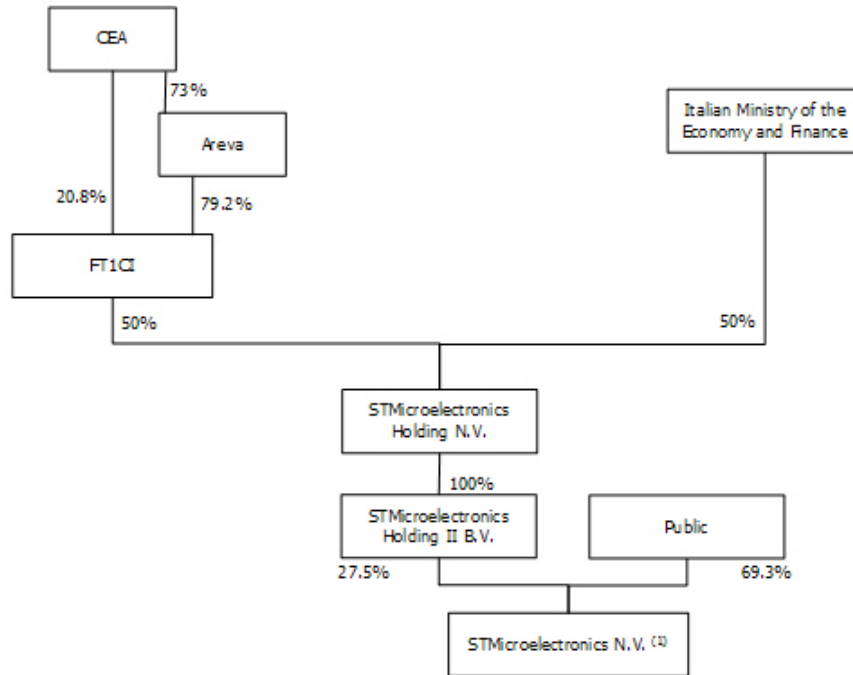

ST Holding II owned 90% of the Company’s shares before its initial public offering in 1994, and has since then gradually reduced its participation, going below the 66% threshold in 1997 and below the 50% threshold in 1999. ST Holding II may further dispose of its shares as provided below in “— STH Shareholders’ Agreement—Disposals of the Company’s Common Shares” and pursuant to the eventual conversion of the Company’s outstanding convertible instruments. Set forth below is a table of ST Holding II’s holdings in the Company as of the end of each of the past three financial years:

Common Shares Owned

	Number	%
December 31, 2010	250,704,754	27.5
December 31, 2009	250,704,754	27.5
December 31, 2008	250,704,754	27.5

Announcements about additional disposals of the Company's shares by ST Holding II on behalf of one or more of its indirect shareholders, Areva, CEA, the Ministry of the Economy and Finance or FT1CI may come at any time.

The chart below illustrates the shareholding structure as of December 31, 2010:

(1) In addition to the 27.5% held by ST Holding and the 69.3% held by the Public, 3.2% are held by the Company as Treasury Shares.

On December 21, 2010, CDP transferred to the Ministry of the Economy and Finance all of its shares in the Company, held indirectly through ST Holding. Following this transaction, CDP no longer holds any of the Company's shares, whether indirectly through ST Holding or directly, and is no longer a party to the STH Shareholders' Agreement and all of its rights related thereto have been transferred to the Ministry of the Economy and Finance.

Shareholders' agreements*STH Shareholders' Agreement*

The Company was formed in 1987 as a result of the decision by Thomson-CSF (now called Thales) and STET (now called Telecom Italia S.p.A.) to combine their semiconductor businesses and to enter into a shareholders' agreement on April 30, 1987, which was amended on December 10, 2001, restated on March 17, 2004 and further amended on February 26, 2008. The February 26, 2008 amended and restated agreement (as amended, the "STH Shareholders' Agreement") supersedes and replaces all previous agreements. The current parties to the STH Shareholders' Agreement are Areva, CEA, the Ministry of the Economy and Finance and FT1CI. Following the Ministry of the Economy and Finance's acquisition of all of CDP's shares in the Company, held indirectly through ST Holding, CDP is no longer a party to the STH Shareholders' Agreement and all of its rights and obligations related thereto have been transferred to the Ministry of the Economy and Finance. The Ministry of the Economy and Finance is in the process of signing a deed of adherence to the Shareholders' Agreement. Upon FSI's acquisition of the FT1CI shares, it intends to continue the Shareholders' Agreement until the conclusion of a new shareholders' agreement with the Ministry of the Economy and Finance.

Once FSI and Areva implement the share purchase agreement of February 8, 2011, FSI will become a party to the STH Shareholders' Agreement and will sign a deed of adherence thereto, and Areva will no longer be a party thereto.

Pursuant to the terms of the STH Shareholders' Agreement, FT1CI, on the one hand, and the Ministry of the Economy and Finance, on the other hand, have agreed to certain corporate governance rights provided that they maintain equal interests in the Company's share capital. See further details below.

Restructuring of the Holding Companies

If necessary, the parties agreed to restructure the two holding companies (ST Holding and ST Holding II) to simplify the structure to the extent possible or desirable. In any case, at least one holding company will continue to exist to hold the Company's common shares. The company that now holds or may hold the Company's common shares in the future for indirect shareholders is referred to below as the "holding company".

Standstill

The STH Shareholders' Agreement contains a standstill provision that precludes any of the parties and the parties' affiliates from acquiring, directly or indirectly, any of the Company's common shares or any instrument providing for the right to acquire any of its common shares other than through the holding company. The standstill is in effect for as long as such party holds the Company's common shares through ST Holding. The parties agreed to continue to hold their stakes in the Company at all times through the current holding structure of ST Holding and ST Holding II, subject to exercising the preference share option granted to ST Holding if ST Holding were to choose not to exercise such rights directly.

Corporate Governance

The STH Shareholders' Agreement provides for a balanced corporate governance of the indirect interests in the Company between FT1CI and the Ministry of the Economy and Finance (FT1CI and the Ministry of the Economy and Finance are collectively defined as "STH Shareholders" and individually defined as "STH Shareholder") for the duration of the "Balance Period", despite actual differences in indirect economic interest in the Company. The "Balance Period" is defined as (i) a period through March 17, 2011, provided that each STH Shareholder owns at all times a voting stake at least equal to 10.5% of the Company's issued and outstanding shares, and (ii) subject to the aforementioned condition, thereafter as long as each STH Shareholder owns at any time, including as a result of the exercise of the "Re-balancing Option" (as defined below), a voting stake equal to at least 47.5% of the total voting stakes. During the Balance Period, each of FT1CI and the Ministry of the Economy and Finance has an option to rebalance their shareholdings, referred to as the "Rebalancing Option", as further described below.

FSI has proposed to the Italian Shareholder to promptly enter into discussions about the opportunity to extend the March 17, 2011 deadline incorporated into the definition of the Balance Period.

During the Balance Period, the STH Shareholders agree that the holding company will have a managing board comprised of two members (one member designated by FT1CI, and one previously designated by CDP, with a new member to be designated by the Ministry of the Economy and Finance at the next Annual General Meeting of ST Holding) and a supervisory board comprised of six members (three designated by FT1CI and three previously designated by CDP, with three new members to be designated by the Ministry of the Economy and Finance at the next Annual General Meeting of ST Holding). The chairman of the supervisory board of the holding company shall be designated for a three-year term by one shareholder (with the other shareholder entitled to designate the Vice Chairman), such designation to alternate between the Ministry of the Economy and Finance on the one hand and FT1CI on the other hand. The current Chairman is Matteo Del Fante.

During the Balance Period, any other decision, to the extent that a resolution of the holding company is required, must be pursuant to the unanimous approval of the shareholders, including but not limited to the following: (i) the definition of the role and structure of the Company's Managing Board and Supervisory Board, and those of the holding company; (ii) the powers of the Chairman and the Vice Chairman of the Company's Supervisory Board, and that of the holding company; (iii) information by the holding company's managing board and supervisory board, and those of the Company; (iv) treatment of confidential information; (v) appointment of any additional members of the Company's Managing Board and that of the holding company; (vi) remuneration of the members of the Company's Managing Board and those of the holding company; (vii) internal audit of STMicroelectronics N.V. and of the holding company; (viii) industrial and commercial relationships between STMicroelectronics N.V. and the Ministry of the Economy and Finance or STMicroelectronics N.V. and either or both FT1CI shareholders, or any of their affiliates; and (ix) any of the decisions listed in article 16.1 of the Company's Articles of Association including its budget and pluri-annual plans.

As regards STMicroelectronics N.V. during the Balance Period: (i) each of the STH Shareholders (FT1CI, on the one hand, and the Ministry of the Economy and Finance, on the other hand) shall have the right to insert on a list prepared for proposal by the holding company to the Company's annual shareholders meeting the same number of members for election to the Supervisory Board, and the holding company shall vote in favor of such members; (ii) the STH Shareholders will cause the holding company to submit to the Company's annual shareholders meeting and to vote in favor of a common proposal for the appointment of the Managing Board; and (iii) any decision relating to the voting rights of the holding company in the Company shall require the unanimous approval of the holding company shareholders and shall be submitted by the holding company to the Company's annual shareholders meeting. The STH Shareholders also agreed that the Chairman of the Company's Supervisory Board will be designated upon proposal of an STH Shareholder for a three-year term, and the Vice Chairman of the Company's Supervisory Board will be designated upon proposal of the other STH Shareholder for the same period, and vice-versa for the following three-year term. The STH Shareholders further agreed that the STH Shareholder proposing the appointment of the Chairman be entitled to propose the appointment of the Assistant Secretary of the Company's Supervisory Board, and the STH Shareholder proposing the appointment of the Vice Chairman be entitled to propose the appointment of the Secretary of the Company's Supervisory Board. Finally, each STH Shareholder is entitled to appoint a Financial Controller to the Supervisory Board. The Company's Secretary, Assistant Secretary and two Financial Controllers are referred to as professionals (not members) of the Company's Supervisory Board.

In addition, the following resolutions, to the extent that a resolution of the holding company is required, must be resolved upon by a shareholders' resolution of the holding company, which shall require the unanimous approval of the STH Shareholders: (i) any alteration in the holding company's articles of association; (ii) any issue, acquisition or disposal by the holding company of its shares or change in share rights; (iii) any alteration in the Company's authorized share capital or issue by the Company of new shares and/or of any financial instrument giving rights to subscribe for its common shares; any acquisition or disposal by the holding company of the Company's shares and/or any right to subscribe for the Company's common shares; any modification to the rights attached to the Company's common shares; any merger, acquisition or joint venture agreement to which the Company is or is proposed to be a party; and any other items on the agenda of its general shareholders meeting; (iv) the liquidation or dissolution of the holding company; (v) any legal merger, legal de-merger, acquisition or joint venture agreement to which the holding company is proposed to be a party; and (vi) the adoption or approval of the Company's annual accounts or those of the holding company or a resolution concerning a dividend distribution by the Company.

At the end of the Balance Period, the members of the Company's Supervisory Board and those of the holding company designated by the minority shareholder of the holding company will immediately resign upon request of the holding company's majority shareholder, subject to the rights described in the previous paragraph.

After the end of the Balance Period, unanimous approval by the shareholders of the holding company remains required to approve:

(i) As long as any of the shareholders indirectly owns at least equal to the lesser of 3% of the Company's issued and outstanding share capital or 10% of the remaining STH Shareholders' stake in the Company at such time, with respect to the holding company, any changes to the articles of association, any issue, acquisition or disposal of shares in the holding company or change in the rights of its shares, its liquidation or dissolution and any legal merger, de-merger, acquisition or joint venture agreement to which the holding company is proposed to be a party.

(ii) As long as any of the shareholders indirectly owns at least 33% of the holding company, certain changes to the Company's articles of association (including any alteration in its authorized share capital, or any issue of share capital and/or financial instrument giving the right to subscribe for the Company's common shares, changes to the rights attached to its shares, changes to the preemptive rights, issues relating to the form, rights and transfer mechanics of the shares, the composition and operation of the Managing and Supervisory Boards, matters subject to the Supervisory Board's approval, the Supervisory Board's voting procedures, extraordinary meetings of shareholders and quorums for voting at shareholders meetings).

(iii) Any decision to vote the Company's shares held by the holding company at any general meeting of its shareholders with respect to any substantial and material merger decision. In the event of a failure by the shareholders to reach a common decision on the relevant merger proposal, the Company's shares attributable to the minority shareholder and held by the holding company will be counted as present for purposes of a quorum of shareholders at one of the Company's shareholders meetings, but will not be voted (i.e., will be abstained from the vote in a way that they will not be counted as a negative vote or as a positive vote).

(iv) In addition, the minority shareholder will have the right to designate at least one member of the list of candidates for the Company's Supervisory Board to be proposed by the holding company if that shareholder indirectly owns at least 3% of its total issued and outstanding share capital, with the majority STH Shareholder retaining the right to appoint that number of members to the Company's Supervisory Board that is at least proportional to such majority STH Shareholder's voting stake.

Finally, at the end of the Balance Period, the unanimous approval required for other decisions taken at the STMicroelectronics N.V. level shall only be compulsory to the extent possible, taking into account the actual power attached to the direct and indirect shareholding together held by the STH Shareholders in the Company.

Disposals of the Company's Common Shares

The STH Shareholders' Agreement provides that each STH Shareholder retains the right to cause the holding company to dispose of its stake in the Company at its sole discretion, provided it is pursuant to either (i) the issuance of financial instruments, (ii) an equity swap, (iii) a structured finance deal or (iv) a straight sale. ST Holding II may enter into escrow arrangements with STH Shareholders with respect to the Company's shares, whether this be pursuant to exchangeable notes, securities lending or other financial instruments. STH Shareholders that dispose of the Company's shares through the issuance of exchangeable instruments, an equity swap or a structured finance deal maintain the voting rights of the underlying shares in their ST Holding voting stake provided that such rights remain freely and continuously held by the holding company as though the holding company were still holding the full ownership of the shares.

As long as any of the parties to the STH Shareholders' Agreement has a direct or indirect interest in the Company, except in the case of a public offer, no sales by a party may be made of any of the Company's shares or of FT1CI, ST Holding or ST Holding II to any of the Company's top ten competitors, or any company that controls such competitor.

Re-adjusting and Re-balancing options

The STH Shareholders' Agreement provides that the parties have the right, subject to certain conditions, to re-balance their indirect holdings in the Company's shares to achieve parity between FT1CI on the one hand and the Ministry of the Economy and Finance on the other hand. If at any time prior to March 17, 2011, the voting stake in the Company of one of the STH Shareholders (FT1CI on the one hand, and the Ministry of the Economy and Finance on the other hand) falls below 10.5% due either to (a) the exchange by a third party of any exchangeable instruments issued by an STH Shareholder or (b) to an issuance by the Company of new shares subscribed to by a third party, such STH Shareholder will have the right to notify the other STH Shareholder of its intention to exercise a "Re-adjusting Option" 221;. In such case, the STH Shareholders will cause the holding company to purchase the number of the Company's common shares necessary to increase the voting stake of such STH Shareholder to 10.5% of the Company's issued and outstanding share capital.

If three months prior to March 17, 2011, the Balance Period has not already expired and if on such date the voting stake of one of the STH Shareholders (FT1CI on the one hand, and the Ministry of the Economy and Finance on the other hand) has fallen below 47.5% of the total voting stake in ST Holding, such STH Shareholder will have the right to notify the other STH Shareholder of its intention to exercise a "Re-balance Option" no later than 30 Business Days prior to March 17, 2011. In such case, the STH Shareholders will cause the holding company to purchase before March 17, 2011 the number of the Company's common shares necessary to re-balance at 50/50% the respective voting stakes of the STH Shareholders.

FSI has proposed to the Italian Shareholder to promptly enter into discussions about the opportunity to extend the March 17, 2011 deadline.

Change of Control Provision

The STH Shareholders' Agreement provides for tag-along rights, preemptive rights, and provisions with respect to a change of control of any of the shareholders or any controlling shareholder of FT1CI, on the one hand, and the Ministry of the Economy and Finance, on the other hand. The shareholders may transfer shares of the holding company or FT1CI to any of the shareholders' affiliates, which would include the Italian state or the French state with respect to entities controlled by a state. The shareholders and their ultimate shareholders will be prohibited from launching any takeover process on any of the other shareholders.

Non-competition

Pursuant to the terms of STH Shareholders' Agreement, neither the Company nor ST Holding are permitted, as a matter of principle, to operate outside the field of semiconductor products. The parties to the STH Shareholders' Agreement also undertake to refrain directly or indirectly from competing with the Company in the area of semiconductor products, subject to certain exceptions, and to offer the Company opportunities to commercialize or invest in any semiconductor product developments by them.

Deadlock

In the event of a disagreement that cannot be resolved between the parties as to the conduct of the business and actions contemplated by the STH Shareholders' Agreement, each party has the right to offer its interest in ST Holding to the other, which then has the right to acquire, or to have a third party acquire, such interest. If neither party agrees to acquire or have acquired the other party's interest, then together the parties are obligated to try to find a third party to acquire their collective interests, or such part thereof as is suitable to change the decision to terminate the agreement. The STH Shareholders' Agreement will remain in force as long as the Ministry of the Economy and Finance, on the one hand, and any of Areva, FT1CI or CEA, on the other hand, are shareholders of the holding company.

Preference Shares

On May 31, 1999, the Company's shareholders approved the creation of preference shares that entitle a holder to full voting rights at any meeting of shareholders and to a preferential right to dividends and distributions. On the same day, the Company entered into an option agreement with ST Holding II as a protective mechanism against hostile takeovers or similar actions that are determined to be contrary to the interests of the Company and its shareholders. On November 27, 2006, the Company's Supervisory Board decided to terminate the May 31, 1999 option agreement, as amended. A new option agreement has been entered into with Stichting Continuïteit ST (the "Stichting"), which is a foundation independent from the Supervisory Board and the Company's major shareholders. The May 31, 1999 option agreement, as amended, was terminated by mutual consent by ST Holding II and the Company on February 7, 2007.

The new option provides for the issuance of 540,000,000 preference shares, the same number as the May 31, 1999 option agreement. The preference shares would be issued by the Company to the Stichting, upon the latter's request and in the latter's sole discretion. The preference shares would be issuable in the event of an unsolicited offer or acquisition, which is unsupported by the Company's Managing and Supervisory Boards and which the Stichting determines would be contrary to the interests of the Company and the Company's shareholders. If the Stichting exercises its call option and acquires preference shares, it must pay at least 25% of the par value of such preference shares. If the Stichting has exercised the option so as to enable it to exercise 30% or more of the voting rights in any general meeting of shareholders of the Company, it is obliged to cancel the preference shares after two years. This measure is effected by the Stichting requesting the Supervisory Board to proceed with the cancellation of the preference shares issued to it against repayment of the amounts paid up on the preference shares. Under the Company's articles of association, the general meeting of shareholders must approve any cancellation of preference shares upon a proposal made to this effect by the Supervisory Board.

No preference shares have been issued to date. The effect of the preference shares may be to deter potential acquirers from effecting an unsolicited acquisition resulting in a change of control. In addition, any issuance of additional capital within the limits of the Company's authorized share capital, as approved by its shareholders, is subject to approval by its Supervisory Board, other than pursuant to an exercise of the call option granted to the Stichting.

Statutory Considerations

As is the case with other companies controlled by the French government, the French government has appointed a *Commissaire du Gouvernement* and a *Contrôleur d'Etat* for FT1CI. Pursuant to Decree No. 94-214, dated March 10, 1994, these government representatives have the right (i) to attend any board meeting of FT1CI, and (ii) to veto any board resolution or any decision of the president of FT1CI within ten days of such board meeting (or, if they have not attended the meeting, within ten days of the receipt of the board minutes or the notification of such president's decision); such veto lapses if not confirmed within one month by the Ministry of the Economy or the Ministry of the Industry. FT1CI is subject to certain points of the Decree of August 9, 1953 pursuant to which the Ministry of the Economy and any other relevant ministries have the authority to approve decisions of FT1CI relating to budgets or forecasts of revenues, operating expenses and capital expenditures. The effect of these provisions may be that the decisions taken by the Company and the Company's subsidiaries that, by the terms of the STH Shareholders' Agreement, require prior approval by FT1CI, may be adversely affected by these veto rights under French law.
